Dear John,

Could you be good enough to refer to your letter of 2.12.44 relating to De GRAAF. LINDHART was questioned regarding the message to which you refer. He states that Kaas BERNHARD is in fact Kaas von WERNING who is identical with De GRAAF. LINDHART himself composed the message. He knew from [Mr. German] that all the dropping grounds in Holland were known to the Germans and the w/t operators in Holland had been blown and were working under German control. Questioned about the message LINDHART was certain that BERNHARD had transmitted it. He stated that BERNHARD promised to do so and later told LINDHART that he had sent it.

LINDHART is no longer in our hands.

Yours sincerely,

Re: With the final Camp 020 report on JOURNAL, would you be good enough to add only those names and addresses already carded in the earlier reports and the names and addresses appearing on the rest of the report which have been turned in the margin.

I attach herewith a photograph of the man and a man and woman which was handed to me by Mr. Pinto of the Cuban State. Mr. Pinto told me that the woman of whom he had no particulars whatsoever was a German Agent. The photograph was shown to JOURNAL who identified it immediately as that of the woman previously referred to in this report. Would you be good enough to file the photograph in JOURNAL's file, and card JOURNAL on this note which should be filed accordingly.

Miss Chenail has a recollection of a woman called JOURNAL who appeared in another case from the field fairly recently. I do not know whether she could be readily identified. If so I would be grateful if you could let me know.

Dear John,

Further to my letter to you of 29th November, regarding the identity of ROELOFF, the photograph of ATTOR has been shown to LINDEMANS who stated that it was most certainly not that of the ROELOFF known to him who was at least ten years younger than the subject of this photograph. I am accordingly returning your photograph herewith.

Yours sincerely,

Dear Mark,

DE GRAAF

One of our men in the field has informed me that he was talking recently to SPYERS the head of the A.S. at Artur about KING KONG, and he had mentioned that KING KONG had approved of him at the beginning of May '44 with a request to send to London for the "out service" a message for Kees BEVERINK beginning with the code phrase "Came from the" "Came from the" "Came from the".

fav

This message which was not sent said that all dropping grounds and W/T Operators were blown, and no more replacements could be arranged.

The above is not very clear, but I should be glad if you could clear up the following points by enquiring from KING KONG

- (1) Who was Kees BEVERINK. Did this refer to DE GRAAF as his first name is also Kees?
- (2) Where did KING KONG get this message from?
- (3) Did KING KONG get the message through by any other means?

Yours sincerely,

John DeLafour

The above man arrived U.K. 9.4.42., but it does not state in the LINDBERG report the date on which HARRY worked with MAUTA. It just says "HARRY worked in conjunction with MAUTA in a secret organization in Holland", but of course if it was in May 44 (the date on which LINDBERG met HARRY) then this trace is not identical.

Dear John,

Christian LI. DALL

Would you be good enough to refer to your letter of 13/11. regarding it is case. He think that in paragraph (d) of the note attached to your letter there is a confusion between ICH who was working in connection with the escape route from Holland through Paris, and Anton Bernard LI. DALL who arrived here in October, 1943. The two men were members of, or in contact with, C. C. VI, but otherwise are unconnected.

I am only pointing this out in order to avoid confusion in the future.

Yours sincerely,

M. Johnstone,
Major.

Note for DEBRAY file and folder:
Copy for LINDEMANS.

Following the receipt of the yellow peril
of 23.11.44, suggesting that Victor LIVANE was
identical with Victor SWANE described by
Lt. Bagge, I rang up Camp 020 and spoke to
Capt. Bagge. I asked him what ex. 17.11.44,
as set in DEBRAY's note-book, could be
17.11.44, at the same time pointing out to
Capt. Bagge that I understood DEBRAY's
handwriting was very bad and that there were
a number of bad mis-spellings or mis-readings
of names which he had received from Camp 020.
Captain Bagge was insistent that the man that
DEBRAY knew was known to him as LIVANE and he
was reluctant to look at the note-book again.
I asked him whether the notes were typed or
written and he said he was not sure. I did
prevail upon him to look at the note-book and
he rang me back this morning and told me that
the name as written certainly could be, and he
thought it was, SWANE.

LINDEMANS

With reference to M.I.E (Mr. Stamp's) memorandum SP. 600, 513/SES of 29.11.44, a photograph of the S.O.E. agent LATTICE forwarded therewith was shown to LINDEMANS, who stated that it was most certainly not that of the ROULE known to him, who was at least ten years younger than the subject of this photograph.

Shown a photograph of MAARLEMAN H. GLADIE & HONCH, LINDEMANS failed to identify it, though he said he thought he had seen the man somewhere. HONCH, whose surname is DAVEN, was quite a different type, with many gold teeth and a flattish, African nose.

The negative result of the showing of these photographs to LINDEMANS was telephoned to Mr. Stamp this morning.
